CHALMERS. The Oxford (Miss.) Eagle, we say it with be- law. coming modesty and deference, must be a little, only a very little, dull. In the last issue of the Eagle we find the following: of the Eagle we find the following:
About the only difference between Chainers and
Carier is the difference in the color of their sains
Chainers, if elected, will support a Republican for
speaker and support Arthur's administration, so
will Carter. Chaimers will vote against the repeal
or modification of the present iniquitous tarfl, so
will Carter. Chaimers expects to be elected by
Republicans and so does Carter. Chaimers denounces the Democratic party, and so does Carter.
Chaimers is an independent candidate for Congress, and so is Carter. Now what is the difference
between these worthles?

There is another wide and very obvious lifference. Having been a life-long Repubican, Ham Carter boldly and frankly de lares that he is still a Republican, and everybody believes him. Gen. Chalmers, on the other hand, has always professed to be a Democrat, and while trying to destroy the Democratic party, declares that he is as good a Democrat as ever, but the people don't be-

PROTECTION DOES NOT PROTECT. The Tariff Commissioners have diligently pursued the investigation entrusted to them oy Congress. As it was well understood that the object of the committee was not to ascertain whether a continuance of the tariff was carry out the protective system, but few free- the people." raders have troubled the commission with however, that all who testified before the good reason for the election of two Republi commissioners in the sense understood to be can congressmen in West Virginia, and so equired were protectionists. There are persons who, while objecting to protection as a system, are compelled, that system being es I lawyers to defend him the Chicago Time ablished, to strive to have it carried out in suggests that it would have been wise manner that shall not put the business | send for Dorsey to fix the jury. they are engaged in at a disadvantage. They are compelled by the exigencies of business o claim that they shall be equally favored with their competitors. Plainly, government undertakes to supersede plant sort of business, every man is compelled to demand that his othouse shall be as good and complete as his neighbor's. Besides this, if protection is a good thing it ought to assist all alike, the more of it the better. And this the arch- Ben Harrison not to believe that he is a secprotectionist, ship-building Roach proclaim-"I believe in protection not for a single industry, but for all." In this way the farmer would pay an extra price for the manufactures he bought to protect the manufacturer, and the manufacturer would pay extra to protect the farmer, and in the same manner those employed in every business would pay extra, when making his purchases, to protect THE Tute County (Miss.) Record says that protect others, side by side with a receiving | North. of extra pay for one's own protection. Supown protection, what is the gain to an takes money out of his pockets
